DECEMBER 11 TO 12, 2020 / 8AM - 8AM EST

WHO IS THIS FOR?
Anyone with the ability to use a computer with internet can participate for FREE!

WHAT DO I NEED TO DO?
First, get registered. We'll send you details on how to log in and be counted in our win!

DON'T MISS THESE FAST FACTS!

1. Registration and participation are **100% FREE!**
2. Registration takes less than 1 minute to complete!
3. **Minors must be registered by a parent/guardian** to provide consent to participate.
4. **No coding experience is needed** to participate.
5. Log in and complete the lesson within the designated 24 hours which begins on Friday, December 11 at 8am , and ends on Saturday, December 12 at 8am (EST).
6. **Reserve at least 1 hour for this activity. Participants must engage in the online lesson for a minimum of 30 minutes** and complete it in order to count towards the win.
7. The online lesson is designed to be a user-friendly, self-guided activity for participants. *If needed, there will be online support to assist you.*
8. The online lesson will teach/refresh coding skills with JavaScript programming language using Bitsbox.
9. **Adults interested in volunteering:** be sure to select the Volunteer option at the end of our Adult registration form. Once selected, Volunteer instructions will be emailed to you.
10. If our attempt is successful (with your help it will be!), participants will be able to purchase an official certificate of participation directly from Guinness World Records®.
